

Using the New Child Support Guidelines to Protect Families and Children

Learn how to do the basic mathematical calculations with the electronic calculator or the paper worksheets under the new child support guidelines.

More importantly, learn how to use the new “best interest of the child” standards now set out in the child support statute to protect families.

November 30, 2006
10:00 am - 3:30 pm
State Bar of Georgia Headquarters
(on space- available basis)
